RE: INDUSTRIAL ATTACHMENT

Dear Sir/Madam,

My name is Seinlus Nyongesa, I am a 3rd year student pursuing bachelor's degree in computer science at Maseno University. It is required that I spend 2 months in an industry that is related to my field of study prior to the final year program, therefore I am writing to seek for placement at your firm for industrial attachment.

As a candidate with strong academic background and relevant experience and communication skills, I am confident that I could make a positive and productive contribution to your organization. I understand web development, information systems, database systems, computer programming and also open to new learning opportunities.

I shall be most grateful if my application is considered favorably.

Yours faithfully,

Seinlus Nyongesa
